***International Geographical Union  
2015 Regional Conference: Moscow, Russia***

**Moscow IGU Travel Grant Program**

The International Geographical Union (IGU) announces the availability of travel grants to help defray the costs of participation in the 17 - 21 August 2015 Regional Conference in Moscow, Russia. Please note that, due to limited availability of funds, the IGU Travel Grants provide only a partial contribution to registration, transport and accommodation. A **maximum** of US\$1000 will be awarded to successful candidates.

In selecting applicants to receive awards, preference will be given to young or emerging scholars and, in particular to those from developing countries. Because the funds available for this awards program are extremely limited, all applicants will be required to find the balance of the costs of participation; applications for 100% support cannot be funded. Please note that full participation in the conference, including the closing ceremony, is required.

Although not a strict requirement, a letter of endorsement from the chair of an IGU Commission or Task Force or from the chair of the applicant's National Committee for the IGU will be helpful in support of the application. Contact details of these individuals are available on the IGU website [www.igu-online.org](http://www.igu-online.org) Applications should be accompanied by proof of registration, a soft copy of the abstract of your paper and any endorsement letters; all documents must be submitted directly to vice-president Joos Droogleever Fortuijn by email to: [j.c.droogleeverfortuijn@uva.nl](mailto:j.c.droogleeverfortuijn@uva.nl)

Completed applications (including endorsement letters) are due at **no later than 31<sup>st</sup> March 2015**. Applicants will be notified of the outcome of their requests on or about 30<sup>th</sup> April 2015. Awards are paid to successful applicants **in cash** on arrival for the conference in Moscow in US\$ dollars.
